

## Address:

26A High St  
Chesham, Buckinghamshire HP5 1EP, UK

WDG Research is situated in the Buckinghamshire town of Chesham on the edge of the beautiful Chilterns. Our offices are located on the High Street, some 5 minutes walk from Chesham rail station and adjacent to town centre car parking.

By train: Chesham is at the end of the Metropolitan line, making it accessible from central London in 35minutes. As you exit the station turn left down Station Road towards the pedestrian High Street, then turn left and continue along until you see the Halifax building on the right and the entrance to our offices at 26a.

By car: Chesham is located near the M25. Exit at Junction 18 onto the A404 toward Chorleywood, then continue on through Amersham, following signs for Chesham A416. Chesham town centre and High Street is signposted at a roundabout on the short dual carriageway section of the A416, and the main car parks are located here. Our offices are only a couple of minutes walk from the car park.

If using Satellite Navigation to find our offices please use the following postcode HP5 1EP. Please note that the High Street is pedestrian.
